

CHAPTER 21

ACKNOWLEDGEMENTS

21.1 We wish to record our gratitude to the Pay Research Advisory Committee and the Pay Level Survey Advisory Committee for their valuable contribution to the Pay Level Survey. The Pay Research Advisory Committee's Report on the Valuation of Fringe Benefits has been of much assistance to us in coming to grips with a highly complicated subject. The Pay Level Survey Advisory Committee has also provided valuable information for us to consider before we draw up our recommendations.

21.2 We would like to thank in particular our Member Mr. Gordon M. Macwhinnie, C.B.E., J.P., who is the Chairman of both the Pay Research Advisory Committee and the Pay Level Survey Advisory Committee. Without his guidance and patience it is inconceivable that work on the development of the methodology for the Pay Level Survey could have proceeded so well.

21.3 We would also like to record our appreciation of the competent service provided by Messrs. Towers, Perrin, Forster and Crosby Inc. and Hay Management Consultants Hong Kong Ltd. on the subjects referred to them. Finally, we wish to thank the Secretary-General and his staff for their hard work in connection with the Pay Level Survey.
