

**Remarks:**

Offices under (C) <sup>(1)</sup> are those located far away from commuter centres<sup>(2)&(3)</sup>. They are determined according to the following criteria:

<b>Journey time between office and the nearest commuter centre</b>	<b>Additional criteria</b>
(a) 30 minutes or more; or  20 minutes or more, if the office is located in Yuen Long, Tuen Mun or Sai Kung areas	Nil
<b>OR</b>	
(b) 20-29 minutes; or  10-19 minutes if the office is located in Yuen Long, Tuen Mun or Sai Kung areas	Office served by only 2 or less public transport routes (including those not originating from the nearest commuter centre) with frequency of at least 20 minutes
<b>OR</b>	
(c) Office at an isolated location inaccessible by public transport but reachable only by walking at least 1.6 km (about 25 min) from the public transport stop nearest to the office.	

**Notes**

- (1) The list of offices is subject to refinement in the light of changes in circumstances or availability of new information*
- (2) All localities well served by public transport will be regarded as commuter centres*
- (3) Journey time refers to the travelling time between embarking on the appropriate means of transport at the nearest commuter centre to alighting from the transport*
